Welcome to InPACT 2022 Conference Website!

Our International Conference seeks to provide a wide connection between researchers, lecturers, students, professionals from psychology and human sciences, and their peers. The conference will showcase presentations, from the most diverse countries possible, to promote the development and growth of research, teaching, applications, and new ways of thinking in psychology nowadays. We wish to illustrate developments in six main fields:

- Clinical Psychology
- Educational Psychology
- Social Psychology
- Legal Psychology
- Cognitive and Experimental Psychology
- Psychoanalysis and Psychoanalytical Psychotherapy

The Conference Official Language is **ENGLISH**
